PowerSchool has been updated to provide parents with a “single sign-on” for your children. You will no longer need to have a username and password for each of your children to access your students information.

All parents, regardless of the number of children you have, logging on the PowerSchool for the first time this school year you will need to: “Create an Account”

It is important to note that the security token sent is only good for 30 min. If the Parent/Guardian fails to reset the Password in that allotted time, you will need to repeat the process.

If you forgot your UserName:

- Click on the Forgot User Name tab
- Enter your e-mail address
